

Rigid Vinyl (PVC)

Our Rigid Vinyl (PVC) is an incredibly durable, versatile and affordable solution for flat applications where stiffness and rigidity are paramount. PVC boasts excellent outdoor weatherability, is resistant to UV degradation and is self-extinguishing amidst flame exposure. It is compatible with a variety of finishing processes including foil stamping, embossing, lamination (thermal roll & platen), die cutting and more.

BENEFITS:

- Durable & Versatile
- Impact Resistant
- Excellent Rigidity
- UV Resistant
- Fire Resistant
- Weatherability

APPLICATIONS:

- Signage & Placards
- Shelf Dangers/Wobblers
- Membership & Gift Cards
- Luggage Tags
- Door Hangers
